PPECB LEVY NOTIFICATION

At the PPECB Board Meeting held on the 26th August 2011, the following levy increases were approved with effect from 1 October 2011.

- Grapes (<6kg) will receive an increase of 8.5%
- Grapes (>6kg) will receive an increase of 8.5%
- Pome will receive an increase of 5.0%
- Stone will receive an increase of 5.0%

The CPI annual inflation rate in July 2011 was 5.3% (Stats SA website: www.statssa.gov.za). While every effort was taken to limit the levy increases, it must be noted that anticipated fuel hikes, minimal significant growth in volumes amongst others impact on the PPECB's expected income and should therefore be taken into account when increasing levies.

All other fees and levies will remain unchanged until further notice.

Kind Regards
